I Can't Understand What My Husband is Saying

# A "VIPPER" Husband

My husband is two years younger than me...
...and he came from VIP
TL Note: VIP (Japanese internet slang for those who frequently visit the "single" board on 2ch)
In other words, an anime otaku. Looks like some kind of creature that can die from not watching anime.

I don't know much about these, but...
YOUR WIFE IS ME!!
MINCHI IS MY WAIFU!

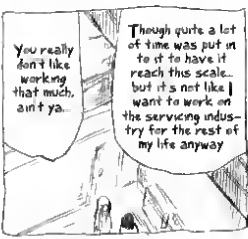
That's quite a lot
You can earn hundreds of thousands of yen per month just from this...



You really don't like working that much, ain't ya...
Though quite a lot of time was put in to it to have it reach this scale... but it's not like I want to work on the servicing industry for the rest of my life anyway

Sorry, but I'm still fond of my job
Let's quit your job too and enjoy a life of watching anime together Kaoru
Work aholic

Ah, I forget to put it back after use.
Don't so rightfully put them in the living room!! It's embarrassing!!
